IPA SANITIZER WIPES

Pre-Saturated Hard Surface Wipes

DESCRIPTION: IPA SANITIZER WIPES are ready to use, pre-soaked wipes containing a 70% alcohol-based sanitizer. They are excellent for use facilities where sanitation is a high priority. IPA Sanitizer Wipes are a quick and effective method of applying a no-rinse sanitizing solution to surfaces with the disinfecting power of 70% alcohol. These wipes are also great for disinfecting & sanitizing skin, such as hands. NPN#80102043

PRODUCT SPECIFICATIONS:

Alcohol Content: 70%

DISPENSER DIRECTIONS: To start feed, break tamper proof tab and remove lid. From center of towelette, pull up a towelette corner, twist it into a point and thread it through the hole in the container cover. Pull through about one inch. Replace cover. Pull out first towelette and tear off at a 90° angle. Remaining towelettes feed automatically, ready for next use. When not in use, keep center cap closed to prevent solution loss.

- A. Contact Hard Surface Sanitizing:** Thoroughly clean and rinse hard and non-porous surfaces with potable water. Wipe surfaces only after they have been thoroughly drained. **No rinse is required.**
- B. Spot Sanitizing:** Wipe contaminated surface, **DISCARD TOWELETTE.**
- C. Skin Sanitizing:** Rub wipe on desired skin area for 30 seconds. Allow skin to dry. **DISCARD TOWELETTE.**

PRECAUTIONS: Avoid contact with eyes. If contact with eyes should occur, flush with water for 10-15 minutes. If irritation persists, seek medical attention. Avoid contamination of food products during use or storage. Store in a cool, dry area, away from sources of ignition and incompatible products.

ACTIVE INGREDIENTS: Alcohol (Isopropyl Alcohol or Ethyl Alcohol).

NET CONTENT: 110 Wipes Per Pail. 6 Pails Per Case.

Product Code: 176-4600W
