ValueRewards!

When purchasing online at valuemed.ca

Earn **1 ValueReward** for every **\$1** spent via online purchases.

You can keep building your rewards or choose to redeem them at any time for a discount code of the value.

You can use this discount code to purchase gift cards on our website or dollar values off your order of regular supplies at checkout.

Our **ValueRewards** program is designed to give you **Better Value** on your regularly purchased products when ordering online with us.

How do I redeem my points?

- You will be able to see your current ValueReward points on the pop up window. To redeem, click “Ways to redeem”.

Then hit the “Redeem” button.

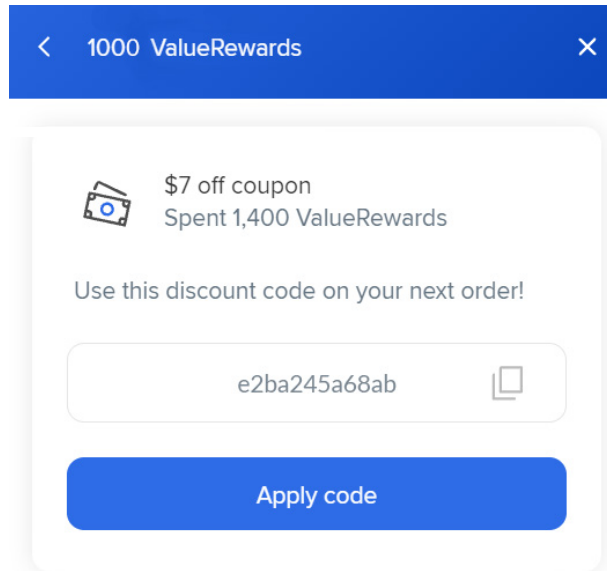

- You can decide how many points you would like to redeem by using the slide bar to increment your desired amount.

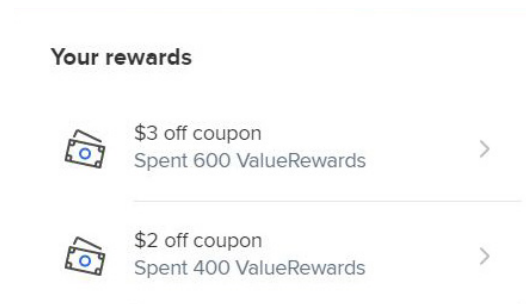

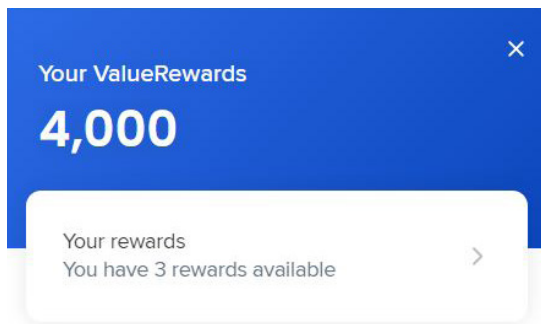

Click “Redeem” to continue.

- After redeeming your points, you will find your coupon code where you can press the **“Apply Code”** button. This will apply the code to your existing online order.

Note: If you don't have an existing order in your cart, the points will be stored under **“Your Rewards”** to be used later. This can be found in the first page of the ValueRewards window.
