Valuemed Team Spotlight on Varinder Dhaliwal

How long have you been at Valuemed?

I joined the Valuemed team in October 2023.

What is your role?

I am the Dental Sales Lead for BC. We have many BC dental offices that have already discovered what Valuemed has to offer, and now, it is the time to

have local representation. I am proud to be starting the team of local Valuemed reps for our BC dental professionals.

What is your background?

With a Bachelor of Science in Biochemistry from Simon Fraser University I very quickly realized that I wasn't suited for life in the lab. I enjoy interacting with people far too much. I was fortunate to work with a dental practice very early on and realize that this is the community where I belonged. Since then, I have been part of the sales team with dental companies for over 20 years.

What's your favorite part about this job?

People, personalities, relationships and helping to provide healthcare. I enjoy the opportunities to continually learn, adapt and evolve. Everyday brings a new adventure and the people that I get the privilege to connect with are the best part of what I do.

What hobbies do you enjoy?

Food, cooking, entertaining, gardening, nature and volunteering - this is who I am. I believe cuisine is a language that brings cultures together. During the spring and summer months, you can find me in the garden. I enjoy long walks. I am forever a community volunteer - being a part of where I live has enriched my life beyond measure.

I am so looking forward to meeting and working with more our local dental community.
