

Clinical & Exam Room Solutions

Choose different, Choose better.

From patented safety features to whisper-quiet mobility and intuitive ergonomics, every Brewer product is designed to support your team and protect your patients. Backed by the industry's only 5-year warranty and proudly made in the USA, we help you deliver better care with tools you can trust.

Industry's most
safety features.

Industry's only
5-year warranty.

USA-made in
the Midwest.

FULLY ADA COMPLIANT

Every Brewer power exam table meets current ADA regulations, including the required 17"-19" seat height range, to support safe, dignified patient transfers. From ComfortGrip™ Assist Handles to wheelchair-accessible design, our tables make accessibility standard.

POSITIONING MADE EASY

From fingertip leg extension adjustments to supportive assist handles and high weight capacities, every Brewer exam table is designed for safer, more comfortable positioning. Whether fixed-height or powered, our exam tables help patients feel secure and help caregivers work with confidence.

The industry's only one-touch, silent mobility system has arrived.

A simple turn of a switch engages
and disengages the EasyGlide
Mobility System.

INTRODUCING THE BREWER EASYGLIDE™ MOBILITY SYSTEM.

The only one to offer a one-touch, whisper-quiet mobility system, Brewer makes it possible to reconfigure and clean exam rooms quickly and with zero disruption to patients and providers. Our advanced EasyGlide Mobility System is an available option on our Access® PLUS and FLEX™ PLUS Exam Tables.

See our EasyGlide Mobility
System in action.

Safer products are just the beginning.

Healthcare professionals want the safest environment possible for their patients and staff. Brewer understands just how important the team behind the products can be to making that goal a reality.

EXPERT GUIDANCE

Our knowledgeable product consultants are here to help you find the right exam table for your space, staff, and patient needs. Whether you're focused on accessibility, ergonomics, or budget, we'll help guide you to the best-fit solution.

ON-SITE TRAINING

We provide hands-on support to ensure your team understands how to safely and effectively use every feature built into your Brewer equipment.

RESPONSIVE SUPPORT

Our relationship doesn't end after delivery. With the industry's only 5-year warranty and a dedicated support team, we're here to ensure your equipment continues to perform day after day, year after year.

For Healers. For Life.

Brewer's exam tables and stools are thoughtfully designed to help clinicians work smarter, safer, and with greater confidence. From exclusive safety features that support more secure transfers to workflow-enhancing touches like our spacious pass-through drawers and integrated work surfaces, every detail reflects our commitment to today's healthcare realities.

All of our solutions are manufactured in the USA, backed by best-in-class warranties, and built to Brewer's rigorous quality standards. Because when equipment works better, caregivers can focus on what matters most: delivering exceptional care.

We Help Healers Heal.
