ValueVarnish

5% Sodium Fluoride Varnish

Protect your patient's smile with our professional fluoride treatment for dental hypersensitivity and caries prevention. ValueVarnish provides a smooth consistency for easy application with quick, high fluoride release in two delicious flavours. Once applied, it dries to a natural tooth colour.

- Simple to apply
- Smooth consistency
- Strong adherence to teeth
- Fast acting fluoride release
- Sweetened with xylitol

Each dose includes a disposable applicator brush and 0.4 mL of ValueVarnish

ValueVarnish 5% Sodium Fluoride Varnish

0.4 mL/unit dose, 50 doses/box

Flavours available:

Mint VM1031MT

Strawberry VM1031ST

Fluoride ions 2.26% w/w (from 5% Sodium Fluoride)

ValueVarnish does not contain gluten, peanuts, tree nuts, soy, sesame, corn, shellfish, eggs, dairy, or dyes.
