Logo & Artwork Guidelines:

If you would like to submit your own logo, artwork, or photo, the file must be provided in the proper format. Vector and raster based files such as .ai, .eps, .pdf, .psd, .tiff, and .jpg formats with a resolution of 300 dpi are accepted. Print quality for images under 300 dpi is not guaranteed. Please note that artwork colours may appear slightly different as a result of different monitor calibrations. For best results, insert pictures or photos should be 2.5" (w) x 1.7" (h) and 300 dpi.

What happens after you send us this form?

We will supply you with a proof of artwork for your approval before printing your kits.
Once you approve the final artwork, we will place your custom imprint order.
Print time, assembly of kits, and shipping time is an average of 2-3 weeks.
All custom imprinted whitening kit orders are final sale only.
